[Handwritten signatures and initials are present over the bottom right corner.]

Q: In your own words tell me what happened while you and Shelia were together around midnight November 5, 2004?

A: We were in the Jacuzzi together around midnight. Relaxing and bathing. We began getting intimate and engaged in sex. As a result of inadequate amount of lubrication we continued sex in the bedroom and in the bed. At approximately 1:30 a.m. we stopped and joked about who was going to let the water out of the Jacuzzi. She commented about an aching cramping pain in her abdomen. Then she got up and walked with a limping motion to the bathroom. And shortly thereafter I heard in the bathroom ~~the~~ Jacuzzi faucet, as well as the Jacuzzi jets turn on. At which time, or shortly thereafter, I fell asleep. It was approximately 1:30 to 1:40 a.m.

At approximately 3:50ish to 4:00 a.m., I noticed that she wasn't in the bed. I went to check on her and she ~~was~~ had fallen somewhat submerged in the water. I called 911 and Brian James as well as a host of other family and friends trying to get help.

Q: Were the jets running when you found Shelia in the tub?

A: Yes.

Q: What position was Shelia resting in when you found her?

A: She was midway between being on her side and on her back.

Q: Was her head and face out of the water?

A: No.

Q: Did you move or reposition the body before the paramedics came?

A: I stepped into to the bathtub and attempted to grab her around the waist and pull her out of the tub. My efforts left her on the side of the tub. Shortly thereafter the paramedics came in. Also I noticed that the pink bath pillow ~~with~~ was floating in the tub. It was detached from the wall and was floating in the tub.

Q: Did Shelia consume any alcoholic beverages during the night?

A: Before midnight she consumed one 12 ~~ounces~~ SKYY blue. While in the Jacuzzi she had another one.

Q: Was Shelia on any medication?

A: No, however she would occasionally take Skelaxin, Hydrocodone, or Tylenol with codeine for cramping in the joints and aching pains.

Q: What medical problems did Shelia suffer from?

A: She suffered from Endometriosis, as well as two complicated pregnancies, which left her with hip and leg cramps.

Q: Has Shelia been in the hospital within the last year and if so for what?

A: ~~In~~ It was like mid December 2003 she had ~~like~~ a pseudoparalysis where she couldn't move or do anything. We spent three days at Baptist East. The doctor's said it ~~from the neck down~~

was a Potassium deficiency. She couldn't walk or do anything from neck down. As a result she is supposed to be taking some potassium pills but I haven't seen them. She has complained maybe once over the summer for not being about to move or anything.

Q: Did you ejaculate while you and Shelia were having sex?
A: No.

Q: Prior to today when was the last time that you and Shelia had been intimate together?
A: On the night of November 3rd.

Q: Were you watching TV when Shelia returned to the bathroom?
A: Yes.

Q: Do you remember the name of the show that was on at the time?
A: I don't know what the name of the show that was on but I was waiting on the show Erotic Confessions to come on at 1:40 a.m. on Cinemax.

Q: Did you attempt to remove Shelia from the tub when you discovered her?
A: Yes, during the 911 call the operator told me numerous times to remove her from the water. I tried lifting her and pulling but I couldn't get her out.

Q: Is there anything else that you would like to add to this statement that would aid in this Police investigation?
A: It wasn't uncommon for Shelia to fall asleep in the tub with the Jacuzzi jets on.

Q: Can you read and write without the aid of eyeglasses?
A: Yes.

Q: Was this statement given freely and voluntarily without any promises, threats or coercion?
A: Yes.

Q: I am going to ask you to read this statement and if you find it to be true and correct, initial the bottom of each page and sign and date the last. Do you understand?
A: Yes.

VB

Q: In your own words tell me what happened while you and Shelia were together around midnight November 5, 2004?

A: We were in the Jacuzzi together around midnight. Relaxing and bathing. We began getting intimate and engaged in sex. As a result of inadequate amount of lubrication we continued sex in the bedroom and in the bed. At approximately 1:30 a.m. we stopped and joked about who was going to let the water out of the Jacuzzi. She commented about an aching cramping pain in her abdomen. Then she got up and walked with a limping motion to the bathroom. And shortly thereafter I heard in the bathroom ~~the~~ Jacuzzi faucet, as well as the Jacuzzi jets turn on. At which time, or shortly thereafter, I fell asleep. It was approximately 1:30 to 1:40 a.m.

At approximately 3:50ish to 4:00 a.m., I noticed that she wasn't in the bed. I went to check on her and she had fallen somewhat submerged in the water. I called 911 and Brian James as well as a host of other family and friends trying to get help.

Q: Were the jets running when you found Shelia in the tub?

A: Yes.

Q: What position was Shelia resting in when you found her?

A: She was midway between being on her side and on her back.

Q: Was her head and face out of the water?

A: No.

Q: Did you move or reposition the body before the paramedics came?

A: I stepped into to the bathtub and attempted to grab her around the waist and pull her out of the tub. My efforts left her on the side of the tub. Shortly thereafter the paramedics came in. Also I noticed that the pink bath pillow was floating in the tub. It was detached from the wall and was floating in the tub.

Q: Did Shelia consume any alcoholic beverages during the night?

A: Before midnight she consumed one 12 ~~ounces~~ SKYY blue. While in the Jacuzzi she had another one.

Q: Was Shelia on any medication?

A: No, however she would occasionally take Skelaxin, Hydrocodone, or Tylenol with codeine for cramping in the joints and aching pains.

Q: What medical problems did Shelia suffer from?

A: She suffered from Endometriosis, as well as two complicated pregnancies, which left her with hip and leg cramps.

Q: Has Shelia been in the hospital within the last year and if so for what?

A: ~~It~~ was like mid December 2003 she had ~~like~~ ^{now} a pseudoparalysis where she couldn't move or do anything. We spent three days at Baptist East. The doctor's said it

from the neck down

MM

was a Potassium deficiency. She couldn't walk or do anything from neck down. As a result she is supposed to be taking some potassium pills but I haven't seen them. She has complained maybe once over the summer for not being about to move or anything.

Q: Did you ejaculate while you and Shelia were having sex?

A: No.

Q: Prior to today when was the last time that you and Shelia had been intimate together?

A: On the night of November 3rd.

Q: Were you watching TV when Shelia returned to the bathroom?

A: Yes.

Q: Do you remember the name of the show that was on at the time?

A: I don't know what the name of the show that was on but I was waiting on the show Erotic Confessions to come on at 1:40 a.m. on Cinemax.

Q: Did you attempt to remove Shelia from the tub when you discovered her?

A: Yes, during the 911 call the operator told me numerous times to remove her from the water. I tried lifting her and pulling but I couldn't get her out.

Q: Is there anything else that you would like to add to this statement that would aid in this Police investigation?

A: It wasn't uncommon for Shelia to fall asleep in the tub with the Jacuzzi jets on.

Q: Can you read and write without the aid of eyeglasses?

A: Yes.

Q: Was this statement given freely and voluntarily without any promises, threats or coercion?

A: Yes.

Q: I am going to ask you to read this statement and if you find it to be true and correct, initial the bottom of each page and sign and date the last. Do you understand?

A: Yes.
